

Vocational Rehabilitation Program

- Practice in interviewing for different types of employment
- Methods of searching for employment opportunities via the internet as well as other avenues
- Job analysis to suitably match client skills to a job
- Training in job etiquette, appropriate dress for the job, and social skills for attaining and preserving employment
- Guidance in exploring and selecting the most useful assistive technology for performing a job, making clients competitive in today's job market.
- Services to individuals already employed in an effort to preserve current employment.

All services are driven by the needs of the individual and are free to qualified Vocational Rehabilitation clients of the Division of Blind Services.

Questions? For more information, please contact the Lighthouse Vocational Rehabilitation Specialists at (850) 942-3658 or toll-free: (888) 827-6033; email: info@lighthousebigbend.org, or 3071 Highland Oaks Terrace, Tallahassee, FL 32301

For many people born with a visual impairment, or for those who lost vision as an adult, finding suitable employment can be difficult. The Vocational Rehabilitation Program at the Lighthouse of the Big Bend offers its clients guidance and training from an experienced vocational specialist, instilling confidence and opening doors to employment and life-long careers. The Lighthouse program offers:

- A thorough assessment of job interests and needed skills
- Assistance with preparing an appropriate resume
